On December 10, 2021, the Court issued an order after the notice of settlement, ordering that the stipulation to dismiss the action be filed no later than March 7, 2022. (Doc. 6). The parties failed to comply with the Court's order. Accordingly, the Court ordered the parties to show cause in writing why sanctions should not be imposed for their failure to comply with the Court's order. (Doc. 10). Defendant responded, explaining the reason the parties failed to file a joint stipulation of dismissal is an outstanding issue of the plaintiff's attorneys' fees and costs. (Doc. 11).

Therefore, the Court **ORDERS**:

1. The order to show cause (Doc. 10) is **DISCHARGED**; and
2. The stipulation to dismiss the action **SHALL** be filed **no later than June 15, 2021.**

1 The parties are advised that failure to comply with this order may result in the Court
2 imposing sanctions, including the dismissal of the action by the assigned district judge.
